Festive Capital Express to Edinburgh

A roaring success!

The Festive Capital Express to Edinburgh was much enjoyed by all passengers and was truly the 'Great day out to begin the festive season' our passengers have come to expect...

New added features were included in this year's service including a special performance by piper, Rich Gordon, who serenaded our guests with a cultural performance upon arrival into Edinburgh Waverley.

We received a vast amount of positive feedback from customers, thus we have opened bookings early for next year's train! Don't forget to pick up a leaflet or visit the website at: www.ba-rail.co.uk/london

Railway Youth Team support travellers over Christmas period...

The much-respected Youth Team continued to show their support as always over the busy Christmas period, helping with luggage; ensuring customers took extra care during the adverse weather conditions we were suffering.

Thank you SDRYT, for your continuous support!

Stockton & Darlington Railway Youth Team raised £3049.69 for The Poppy Appeal...

There's a new generation of veterans that needed our support; the SDRYT sacrificed their autumn holidays to ride across the Bishop Line collecting onboard donations to help support thousands of veterans/service men, women and their families. They raised an outstanding £3049.69!
